

Shannon Zayas is Quantum Governance's Director of Operations. Shannon serves as the key interface between Quantum Governance's team and the client. Additionally, Shannon manages the fielding of any survey work that is to be completed as a component of our engagements. Previously, Shannon worked at Achikian Goldsmiths, a regional retailer where she played key roles in sales, marketing, business solutions, research and accounting. She also worked in the Audit and Advisory practice at KPMG, LLP where she assisted and led audits of public companies in the firm's consumer and industrial business lines out of both the Philadelphia and the St. Louis offices. Shannon graduated from Virginia Tech in 2001 with a B.S. in Finance and in 2004 with an M.S. in Accounting.
